VINCENT ANTHONIA

USER EXPERIENCE DESIGNER

D.O.B : 08 May 1994

City : Den Haag

Phone : 06 16553735

Email : vincent.anthonia@gmail.com

ABOUT

My name is Vincent and I am a graduate of The Hague University of Applied Sciences. I am a creative person who is also task-oriented. I am also not afraid to ask questions if I need to. When being part of a team, I listen to other ideas and also make sure my ideas are known. As a designer, I perform well under pressure. My hobbies include spending some time at home and binge watching films and series, going bowling and some shopping.

EDUCATION

2012 - 2016: **Physical Education:** Jackson State University (USA)

2017 - 2021: **User Experience Design:** The Hague University of Applied Sciences

EXPERIENCE

Aug 2020 - Jan 2021: **UX Designer: Graduation Project TU Delft Library**
Researched and Redesigned the Information Literacy 2 course to make it more comprehensive and consistent for the student and the faculty

Aug 2018 - ongoing: **Retail Worker: VanHaren, Den Haag Centrum:**
I work as a sales person where I upsell the products. By creating customer retention, it would lead to more revenue.

To know more about my work experience as a UX Designer, I refer you to my online portfolio. (On all platform types)
